SPEC SHEET

ALTA

Sectional

The ALTA sectional is a modular unit that allows you to configure your pieces in a way that suits your room and needs. This sectional is an altered version of our most popular modular sectional, the ONZA. It sits higher and the cushions are made up of a high quality padding that will hold its shape (no fluffing required). This piece fits in seamlessly with a variety of home aesthetics; in style and versatility. Ottoman option available.
