SPEC SHEET

ITZA
3 PC SECTIONAL

The Itza 3-piece sectional features a vibrant calendula and a dark cream velvet fabric both options adding warmth and charm. Its playful design is highlighted by gracefully curved body and backrests, creating a inviting, relaxed vibe. The combination of square and round toss cushions enhances its casual, plush appearance. Offering a striking visual impact usually found in larger curved sectionals, Itza is designed in a more compact size ideal for smaller spaces. Choose from either a right-facing or left-facing chaise to suit your layout.
