JUNIPER

Occasional Chair

The JUNIPER lounge chair, a stunning addition to any living space, features a distinctive art deco-inspired arched back that immediately catches the eye. This elegant design element adds a touch of vintage sophistication, reminiscent of the glamorous era of the 1920s and 30s. The chair is further enhanced by its patina bronzed base, providing a warm and luxurious contrast to the plush seating above. The JUNIPER lounge chair is available in two upholstery options: a clean and contemporary opal white, or a deep and opulent rich black velour. Both choices offer a sumptuously soft texture, inviting you to sink in and relax.
