SPEC SHEET

KOII

Collection

Introducing the Koii Collection where elegance meets modern design. With its stunning silver grey travertine marble top, this side table effortlessly enhances any space. Beautifully complemented by its fluted body and finished in an oiled ebony ash. It's rounded edges add a touch of softness, inviting warmth and intimacy to your gatherings. This collection offers versatility with additional options, including a sideboard, and bar cabinet. Each piece is designed to create a cohesive look. Explore the full Koii collection.
